SCHOOL PROFILE

In addition to particularly strong athletic and performing arts programs, The King's Academy in West Palm Beach features a rigorous academic curriculum with one-on-one mentoring through the Global Ambassador Program, 28 AP and dual enrollment college credit courses, and ESL and TOEFL/SAT/ACT preparation. It also has a distinguished STEM program, including the brand-new Boswell Science and Technology Center.

FACILITIES

The school's facilities feature an 11,000-square foot athletic complex and an Olympic swimming pool. Students also have access to a tennis academy, a television and film production studio, and a brand new 23,000-square foot Center for Performing Arts offering theater, instrumental arts, dance, filmmaking, broadcasting, and visual/digital arts. The school opened the Boswell Science and Technology Center in August 2018, giving students access to a state-of-the-art computer science laboratory, engineering room with 3D printers and robotic capabilities, and a new mathematics classroom.

SPORTS AND ARTS

TKA offers professional-level athletics training and features a renowned tennis program. Teams at the school have won a combined 10 state championships. The professional-level performing arts program competes statewide, drawing top universities like Harvard, Yale, Princeton and Columbia to recruit their performers. TKA's prestigious Conservatory of the Arts program has performed at Disney's Magic Kingdom and a US Presidential Inauguration.

AWARDS AND ACCOMPLISHMENTS

Recently recognized by the U.S. Secretary of Education as one of the top 50 private schools in the country, The King's Academy has received the prestigious Blue Ribbon School designation and its Conservatory of the Arts program is in the national top five.
