SCHOOL PROFILE

Birmingham Community Charter High School is an independent US public high school accepting international students in grades 10-12. Birmingham Community Charter High School places a strong emphasis on curriculum in the fields of science, health, and business technology. The school's personalized Small Learning Communities group students by common interest.

FACILITIES

Birmingham Community Charter High School recently invested over one million dollars in technology tools, a medical lab, and a STEM lab. The school's athletic facilities are some of the best in the state, featuring an outdoor swimming pool, an 11,000-person football and track stadium, and various courts and fields.

SPORTS AND ARTS

Birmingham Community Charter High School has one of the largest athletics program in the entire San Fernando Valley, offering competitive sports such as American football, softball, and water polo.

Its award-winning filmmaking program has produced successful artists such as Emmy Award-winning actress and director Sally Field. In addition to the school's outstanding filmmaking and performing arts programs, students can participate in courses such as vocal music and photography.

COMMUNITY INFORMATION

Birmingham is centrally located in a suburban area of Los Angeles known as The San Fernando Valley, only 40 minutes from downtown Los Angeles. Students can also travel to southern California's famous beaches in less than an hour.
