DISTRICT PROFILE

International students from around the world choose to study in Prince Edward Island - Public Schools Branch for the wide range of academic options, to live in a small and friendly community and to experience life close to the ocean! There is great support for international students through the International Student Program.

Specialty programs include the International Baccalaureate (IB) Program, Advanced Placement (AP) Courses, French Immersion (Early and Late) and Academy Diploma Programs in Business and Innovation, Agriculture and Bioscience, Arts and Culture, Tourism and Culinary or Aerospace.

FACILITIES

International students can take advantage of well-maintained and equipped education facilities including libraries, science and technology labs and athletic facilities, as well as Smart boards in the classroom.

SPORTS AND ARTS

Sports, arts and extracurricular activities are a big part of student life in PEI. Along with typical sports like basketball and soccer, unique options include rugby, golf and badminton. PEI has also been ranked as Canada's #1 golf destination!

The Academy Diploma Program in Arts and Culture is a fantastic program for students with a strong interest in Art.

COMMUNITY INFORMATION

With its ocean views, green rolling hills and iconic red soil, Prince Edward Island (commonly called PEI) looks like the backdrop for a storybook. It's no surprise that PEI is the setting of the popular Canadian novel, Anne of Green Gables - currently featured on CBC and Netflix's "Anne with an E." Prince Edward Island is recognized as one of the world's ten most beautiful islands, and its people are famous for their kindness. It's a charming, family-oriented location where you'll feel welcome!
