SCHOOL PROFILE

Hopkinton High School (HHS) is a public school located in New England, one of the most beautiful regions in the US. The school excels academically with an impressive average SAT score of 1230 and plenty of Advanced Placement courses. Hopkinton High School has a lot to offer students, encouraging them to study STEM, join the Robotics team, or even participate in local volunteer groups just to name some of the opportunities available.

FACILITIES

Hopkinton High School's scenic campus features expansive sports facilities and state-of-the-art classrooms and laboratories.

SPORTS AND ARTS

Athletes at HHS have competed in many championship games in sports including volleyball, soccer, and baseball. Students can also participate in other team sports like cheerleading and lacrosse.

In addition to an especially strong music program, Hopkinton High School offers art courses such as animation, ceramics, and graphic design.

AWARDS AND ACCOMPLISHMENTS

In 2021, Hopkinton High School was ranked as 10th best school in Massachusetts by US News and World Report. They also have over 150 members of the prestigious National Honor Society.

COMMUNITY INFORMATION

The starting line of the famous Boston Marathon is located in Hopkinton. The historic town is home to several lakes and scenic viewpoints. Hopkinton's vibrant town center features shops, a library, and restaurants. Students can travel to Boston in under an hour.
