### SCHOOL PROFILE

Monterey Bay Academy is a coeducational, Christian private boarding school located in the picturesque northern coastal region of California. The high school's outstanding academic curriculum prepares its students for college, based on the entrance requirements set by the prestigious University of California system.

### FACILITIES

Spanning 380 acres, the campus even has its own mile-long beach. Facilities include a gymnasium, ball fields, a pool and modern academic buildings (with dedicated wings for math, science, humanities, art, music and technology.) There's even a private airstrip for pilots and aviation courses. A cafeteria serves fresh and tasty vegetarian meals.

### SPORTS AND ARTS

Monterey Bay Academy offers varsity programs in flag football, volleyball, basketball, soccer, softball, and track and field. There's also a fun intramural program in the evenings, and individual sports and activities like jogging and skateboarding and surfing and boogie boarding.

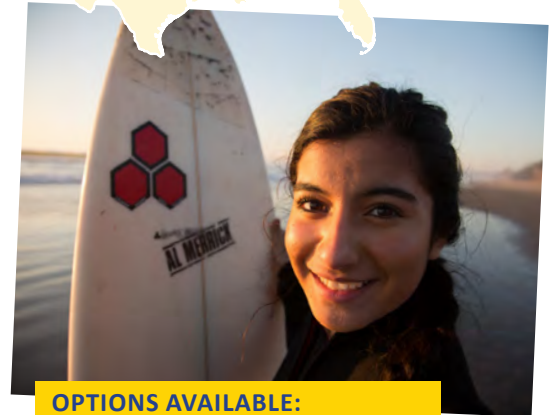

Whether taking part in music, drama or painting, students have an opportunity to fully express and develop their creative talents. Monterey Bay Academy musical and drama groups have performed around the country and abroad.

### AWARD AND ACCOMPLISHMENTS

Monterey Bay Academy is part of the second largest school system in the world and has been steadily outperforming the national average across all demographics.

### DORMITORIES AND STUDENT LIFE

Two supervising house parents live in the dormitories full time and almost every student has a roommate. For those residents who are budding chefs, they're welcome to purchase groceries in town and prepare their own meals in the dorm's well-equipped kitchen.
