### SCHOOL PROFILE

Chelsea Independent College is a coeducational UK private boarding school located in the heart of central London. Particularly strong in STEM subject areas - science, technology, engineering and mathematics - the curriculum offers the Oxbridge and Medical Preparation Programmes, many business-related courses and a wide range of GCSE, as well as over 25 A-Level subjects. Awarded the CIFE Award, Chelsea Independent College is proud of its talented pool of teachers - many who are experts in their field.

### FACILITIES

Students at Chelsea Independent College study such facilities as a state-of-the-art computing suite and science laboratories.

### SPORTS AND ARTS

There's never a dull moment at Chelsea Independent College. Some of the activities and clubs in which to participate are Science Olympiad competitions, Computer/Robotics Club, Philosophy Club, Duke of Edinburgh Award and much, much more. Visiting university and career guest speakers come to campus on a regular basis, and social event organising committees are always busy planning the annual ski trip or next fun excursion. For students interested in sport, they're always welcome to join boys and girls football, basketball, yoga, badminton, table tennis, netball and rugby teams.

### DORMITORIES AND STUDENT LIFE

Boarding students will be living in student dormitories (single or shared en-suite studios). Fulham Palace Studios (for under 18s) is located in an exclusive part of South West London, only 10 minutes from campus. The dorm is staffed 24-hours a day by live-in house parents to ensure students receive the highest level of support and care.
