### PROGRESSIVE CO-EDUCATIONAL SCHOOL IN CORK CITY!

Cork Educate Together Secondary School is dedicated to creating a co-educational, learner-centered, caring, and positive environment where equality and democracy are celebrated and nurtured.

As an Educate Together school, CETSS is multi-denominational and, unlike most Irish schools, it is not owned by a religious community. Students do not wear a uniform and students and teachers are on first-name terms. School management and staff have a strong commitment to providing an inclusive space that promotes student achievement and encourages greater understanding between different cultures.

A unique curriculum is on offer, incorporating traditional academic subjects and cutting-edge learning opportunities in areas such as Coding and Digital Media to prepare students for the modern world of work. An important part of life at the school is the use of tablets in all classes to give students greater control over their learning and enable teachers to facilitate collaborative working and use alternative assessment tools.

CETSS is committed to enabling students to become creative, empathetic, life-long learners who are prepared to meet the challenges of the 21st century in a sustainable and ethical way.

## CORK

Cork is Ireland's second largest city and boasts all the character, charm and excitement of the capital in a more compact setting. It is often referred to as 'the real capital of Ireland' by locals! Situated on the banks of the River Lee, the historic city centre offers fantastic cultural and shopping opportunities as well as lots of exciting things to do and places to explore. The city is truly the perfect blend of cosmopolitan city life and a traditional homely Irish atmosphere, making

it a hugely popular choice for international high school students. Beyond the city limits, students can explore the wider county of Cork- Ireland's biggest county. With its beautiful coastline, delicious food and picturesque colourful towns and villages, it's no wonder that the locals are fiercely proud of where they come from and are eager to welcome exchange students and introduce them to the Irish way of life.
