### MODERN BOYS' SCHOOL WITH EXCELLENT ACADEMIC PROGRAMMES IN THE FRIENDLY TOWN OF WESTPORT!

Rice College is a unique and friendly Secondary School for boys located near the beautiful Clew Bay on the west side of Ireland. The college endeavors at all times to develop to the greatest possible extent the intellectual and emotional potential of its members.

Being considered a school on the rise, Rice college aims to provide the highest standard of teaching, learning and performance for its students. Students will have the opportunity to develop social and personal skills thanks to a well trained and professional staff which enables pupils to achieve their aspirations. By providing a warm and positive environment, students will acquire confidence and skills necessary for their future academic and personal path. Rice College provides a comprehensive array of physical education activities within its excellent range of facilities.

The full sized sport hall ensures that activities such as indoor Soccer, Badminton, Basketball, Volleyball, Olympic Handball and a Health Related Fitness Training can take place on a year round basis. The pitch at the school facilitates the preparation of teams for competitions in Gaelic Football, Soccer and Rugby.

## WESTPORT

Westport is a town located on the west coast of Ireland, precisely in County Mayo at southeast corner of Clew Bay. With its Georgian architectural style and several stone bridges, it is considered one of the best tourist destinations in Ireland and ranks highly for quality of life. Westport is an ideal town for students who want to experience the authenticity and panoramic scenes of Ireland.

Within the town boundary, students living in Westport will have many spots to explore in this lively and intriguing county. From the astonishing Great Western Green way landscapes to vibrant music, art and food festivals all year round, Westport is an excellent place to experience the Irish culture, whilst being in a friendly and welcoming local community.
