

English Prep Camp

Prepare yourself for the best year of your life!

Our flagship course, The English Prep Camp is designed to help students prepare for their year abroad by increasing their confidence with English, raising their awareness of the culture of their host country and giving them the tools necessary to confront the unique challenges of studying abroad.

By studying with other students also preparing for their study abroad programs, they also begin to build an invaluable support network as well as get a taster for some of the real challenges on a study abroad programme.
